

SUMMARY OF NOTES TAKEN AT WESTHALL PARISH MEETING ON

MONDAY 12<sup>TH</sup> JANUARY 2026

AGENDA ITEM 8

APPLICATION FOR PREMISES LICENCE

RESTARIES, PARADISE FARM, COXCCOMMON WESTHALL

The Parish Council met tonight and included an agenda item on the Restaries' Premise Licence. The owners (Tom and Gemma) attended to make a representation and discuss how a compromise could be reached. We agreed that there should be restrictions on the licensable activities to limit the scale of any 'event', the hours of operation during the week and a responsible person is present on site at all times. I am unsure how a licence can be restricted, but the Parish Council request the following:

- The licensable event is restricted to only those that are accommodated at the Restaries in the holiday let accommodation.
- The licensing for music and alcohol is limited to 2300hrs on Mon to Thu.
- A responsible person / manager is available on site during the licensable activities.

The owners agreed to discuss their plans with their neighbours to try to ameliorate their concerns and will amend the Restaries' website to remove all references to large gathering, 'hosting your own' events and glamping. If a larger event is planned, the owners will apply for a Temporary Event Notice (TEN) for the licensable activity.

The PC will be attending the Sub-Committee hearing because the Restaries have no intention of amending the original licensing request.

Clerk

Westhall Parish Council
